The Exhibition

"Sharing Knowledge, Skills, Technology And Expertise To Feed The World"

We Deliver Quality Buyers And Business Leads

Introduction

In October 2009, thousands of agricultural buyers and sellers from 5 Continents will meet at Kuala Lumpur, Malaysia to turn the wheels of global agriculture in one strategic platform.

These decision makers who have purchasing plans will come seeking for solutions, products, services and to establish network for a wide range of agri sectors.

World Agri-Trade 2009 is geared to bring together the largest assembly of solution and resource providers globally to explore trade opportunities and new business synergy.

The show offers a wide spectrum of products and services including latest technology, latest products, new innovations, latest discoveries in agriculture and business solutions for the unique needs and requirements of the agricultural sectors. It will further enhance closer ties and transfer of technology with agricultural ministries and Agencies of the World for sustainable agricul-
